RANGE RULES

1. All shooting time is between 9am and 9pm. Respect the neighborhood.
2. Members using the range are required to have their name badges on them.
3. Range use is limited to the following firearms:
 - A. Rimfire Rifles and Rimfire Pistols in calibers of .17 or .22. Cartridges in hollow point and magnum are permitted.
 - B. Pistol Caliber Carbines using flat walled cartridges in .9mm, .38, .45ACP, .45 LC, .44spcl, and .30 caliber carbine.
 - C. Center fire pistol calibers in .9mm, .380, .38, .45, .44spcl, .45 pistol caliber. No center fire magnum, hollow point cartridges or wad cutters are allowed. No pistol firing a center fire rifle cartridge is allowed.
4. Treat all guns as though they are always loaded and always perform a clearance check every time you pick up a firearm. Open Slide and insert flag.
5. Keep your finger off the trigger and outside the trigger guard until you are on target and ready to shoot.
6. Always make sure of your target and what is beyond. Never point your gun at anything you are not willing to destroy.
7. All firearms will be pointed down range at all times.
8. No alcoholic beverages are permitted in or around the range. No person under the influence of alcohol or drugs is permitted to use the range.
9. Do not handle firearms when any person is forward of the yellow firing line. Take one step back from the bench.
10. Targets will be attached by tape to the target backing material. No staples or metal target holders are allowed. Metal targets are prohibited.
11. Controlled Firing Rate. No 'spray and pray' shooting will be tolerated.
12. Sign in when using the range.
13. Guests must read and sign the Range Waiver Form before shooting, and sign in. Please use "Guest" name badges.
14. Inspect the range before you shoot and look for new damage to the facility: Target area, bullet traps, ceiling, lights, exhaust fans, beams & supports. If new damage is discovered, indicate the location in the sign-in book, on the left-hand side.
15. Turn fans on while shooting.
16. Wash hands with lead removal soap, after shooting.
17. The Range Safety Officer (RSO) is ultimately responsible for the safe operation of shooting activities. The RSO is defined as:
 - A. The person running an organized match.
 - B. The authorized lock combination holder who opened the range for non-scheduled shooting.
